**Amendment to Comply With Sequence Listing Rules**

Assistant Commissioner for Patents  
Washington, D.C. 20231

Sir:

In response to the Notice to Comply with Requirements dated August 6, 2002, Applicants are submitting the following amendments and remarks to comply with the Sequence Listing rules.

**Amendments**

Please delete the Sequence Listing submitted with the preliminary Amendment filed on July 19, 2002. Please enter the substitute Sequence Listing enclosed herewith on separate pages following the claims and abstract of the application.

On page 4 of the specification, please amend lines 28-35 to read as follows:

C  
In particular, the invention relates to the medical, pharmaceutical and cosmetic uses of trypsins derived from Atlantic cod or other animals. There are three isoenzymes of trypsin in Atlantic cod that have been purified and characterized. They have been termed Trypsin I, II, and
